

Do you know how many days are in each month?

Can you use our word of the week? creative

CAMBRIDGE PRIMARY SCHOOL

24th April 2026

Dear Parents, Carers and Children

It has been a beautiful week and many of the children have been able to get outside to play and to carry out some of their learning in our wonderful outdoor areas. We have been keen to take out our play resources which were kindly donated last year. If you are able to donate any further ride-on toys (small bikes and trikes etc), larger dolls and prams, dressing up clothes or any larger building/making materials (guttering, crates, tarpaulin etc), we would be very grateful to receive them. With the weather hopefully continuing like this we would remind you to please ensure that the children have suncream applied first thing in the morning. Hats or caps (named pleased) are also encouraged for use outdoors. For children in Hopscotch and Nursery we ask that children arrive with these on or that they are easily accessible in their bags as the children are in and out of the setting all day.

The Parrots have been incredibly busy this week. Yesterday they carried out a school walk sound collecting for their English work. And on Wednesday, after a quick scramble of cars to be able to get them there, they visited the Dock Museum to compliment their work in History. They were able to find out more about Sir James Ramsden and his impact on our town; they really enjoyed looking at the models of boats and submarines and even managed to see some artwork by John Duffin who they will be studying later this term. The children listened really carefully and asked some wonderful questions. Well done.

In Family Time, we have had a focus on art for the last two weeks. Last week we looked at some incredible work of art - their colours, form and use of materials. This week, the children created their own artwork some of which they got to take home. Perhaps take some time to look at the work, or take some time out to do some artwork together? This might be painting or drawing but may also be making and sculpting. We would love to see your works of art in our future Family Time sessions.

Thank you for your support.

Jenny Lavery
