# CAMBRIDGE PRIMARY SCHOOL

Can you use our  
word of the week?  
searing

17th April 2026

Dear Parents, Carers and Children

The children have come back to school following the Easter holidays with a spring in their step, happy to be back in school, keen to share their news about what they have been doing with their teachers and friends, and are working hard in class. Many of them look very smart in their new, summer-style uniforms and new haircuts. Please can we remind you to ensure that all items of clothing are clearly named so that they can find their owners easily if taken off.

It has been great to see so many of you at our parents meetings this week. We are really proud of the progress the children are making and it is wonderful to discuss with you how we can work together to support their development both academically and socially. Please don't forget that we are always available to offer advice and support—either with a quick chat at the gate/ in the office or with a more formal meeting if required.

Our footballers were again in action on Tuesday. A team was made up of boys from Y3, Y4 and Y5 who competed in a Y5 inter-school competition and held up really well, coming third. The boys played with confidence, winning one, drawing one and losing one. Congratulations.

Attendance continues to be a real focus for us in school this term and we have been really pleased by the improvements already this week. Just a quiet reminder that our local authority attendance officer will be holding follow up meetings with some families in a couple of weeks to discuss any further support required.

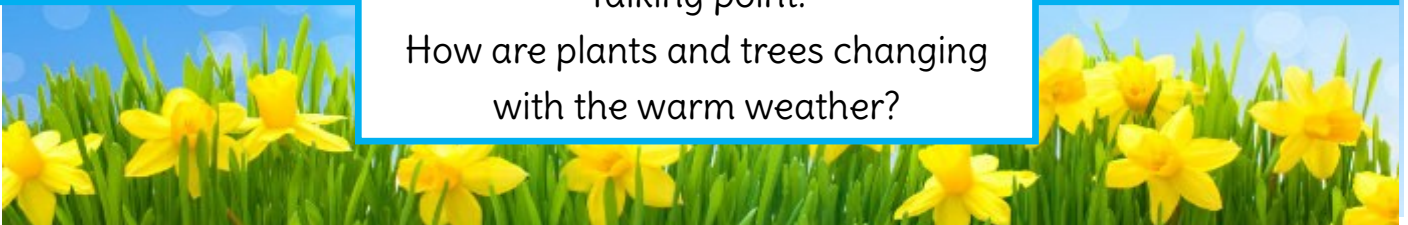

Scopay, our new meal-ordering system, has now been fully set up to accept online payments for visits, residentials, Nursery payments and Breakfast/After-School Club payments. If you need any support to do this, please come in or ring to speak to Miss Hughes or Miss Brumbley in the office—they can talk you through everything step-by-step. More and more, we will be encouraging the use of online payments as they give us a much clearer audit trail for payments and limit human-error.

Finally, can we remind people dropping off and picking up in cars to please be careful when driving. Limit your speed to absolute minimum and please park responsibly outside of the zigzag lines. Please note the **car park is for staff use only**.

Thank you for your support.

Jenny Lavery

Talking point:  
How are plants and trees changing  
with the warm weather?

# Important Information

## NEXT WEEK

Mon 20th Apr	Y1, Y2 and Y4 PE Performing Arts Club <b>CANCELLED</b> KS1 Story Club 3.15-4.15
