CAMBRIDGE PRIMARY SCHOOL

Can you use our word of the week?
curious

13th March 2026

Dear Parents, Carers and Children

This week we have spent some time thinking about International Women's Day and Science Week. We have looked at some inspirational people, discussed their significance and have talked about the importance of being curious: asking questions about the world around us and striving to understand it.

Inspired by Georgia Stanway, some of our KS2 girls competed in the 'Peace Pitch' Stanway Cup on Monday. Both girls' teams returned to school absolutely thrilled with their performances, having scored goals with Y3/4 winning the Challenger trophy and Y5/6 winning the Stanway Shield. Well done on your teamwork, skills and resilience girls.

Y6 have a couple of visits this week: a STEM show at Furness College on Wednesday where they were able to experience a host of scientific activities, and a very wet walk to Chetwynde yesterday to watch a student performance of 'Fame'. Mr Banks has been impressed by their behaviour and attention.

Next Thursday, 19th March, at the end of the school day, we invite you to our History showcase. Children's work will, once again, be on show; activities will be on offer and staff will be available to discuss what is taught. We look forward to seeing you there.

Next Friday is Comic Relief Day so we will be selling red noses throughout the week for £2. Those who would like to are invited to come to school dressed in red (and funny) along with their donation. And of course, we cannot have a fundraising day without a cake sale! Donations will be gratefully received on Friday with cakes on sale between 50p and £1. We also hope to raise money for our visits and trip with our Easter raffle for eggs and Easter gifts. Again, tickets are available for £1 per strip.

Thank you all again for your support with our new dinner system. Despite a couple of glitches, it seems fairly easy to use and uptake to our hot meals has definitely improved. Well done to the children for trying new things. They are very proud of themselves and are surprised when they actually like things! Maybe try to make the most of this at home too!

Finally, congratulations to Mrs Brown and Mrs Elliott for their nominations at the Love Barrow Awards for their work in school—highly deserved. Well done ladies.

Thank you,
Jenny Lavery

Talking point:
Who are you inspired by? Why?

Important Information

AFTER HALF-TERM

Mon 16th Mar	Y1 and Y4 PE KS2 Performing Arts Club 3.15-4.15 KS1 Story Club 3.15-4.15
