CAMBRIDGE PRIMARY SCHOOL

Can you use our
word of the week?
budding

6th March 2026

Dear Parents, Carers and Children

It was wonderful to see so many of you in school yesterday for our World Book Day event. The children looked amazing in their costumes—princesses, superheroes, wizards, witches, sporting heroes, soldiers and even Dr Seuss characters! There were LOTS of reading activities on the go and I know lots of books have been taken home to share. Thank you to everyone who came to join in and put in such a lot of effort with costumes. The children really do appreciate you being in school to show off what they can do.

Many thanks for your support and cooperation this week with our new meals system. We are thrilled that we now have everyone registered and ordering their meals online. Please do not forget to order meals over the weekend. Next week we will be contacting parents who have not yet registered as their children don't have school dinners so that everyone is able to use the system for online payments—making it easier to pay for trips and residential.

We are pleased to say that the first week with our new caterers has gone really well. As well as serving some delicious hot meals, we have introduced a salad bar where the children are able to select from various options which is proving very popular. I have noticed that they are definitely trying more than they have previously. Well done everyone.

We have loved seeing the sunshine this week meaning that we have been able to get outside even more than normal. There is still lots going on in our garden and wood with Mrs Newby; Y4 have been investigating invertebrates outdoors; Y2 have been exploring in our new mud kitchen; our Early Years classes have been very busy outside and we have been able to get out our play resources for playtimes and dinnertimes. Y2 took a little walk around our local area to support their Geography and History learning. Take a look at our photos on our Facebook pages.

Finally, our gymnasts have been stretching, springing and balancing at the Key Steps competition again at Dowdales today. We took three teams of six children, from Y1-Y6 who competed beautifully against other schools. We eagerly await the results. Well done to you all, and to all of the children who have been committed to their gymnastics sessions with Brenda every week.

Thank you,
Jenny Lavery
