6th February 2026

Dear Parents, Carers and Children

Thank you to everyone who came to our Maths Showcase last night. It was lovely to be able to share some of the work we did on Number Day and in our maths lessons with you. The children had a wonderful day on Number Day - counting, calculating, making, drawing, painting, playing darts, hooking ducks, all sorts. Hopefully, you have managed to see some of the photos we have uploaded to our Facebook page. We had some amazingly creative outfits too—lots of 6/7s, football numbers, dates and even calculators and a dart board! Thank you so much for putting the effort in to support us.

KS2 Choir were very excited setting off for their performance at the Coop Live Arena tonight. They have put in lots of practice to learn the songs and I am sure that they will have the most amazing evening singing alongside hundreds of pupils from around the North West. Huge thanks to Miss Ducie, Mrs Brown and the members of staff who have gone to support and supervise the children.

Yesterday some of our Y5 pupils went to Hoops to compete in an inter-school basketball competition. They children displayed some wonderful skills and fantastic team work. They represented the school brilliantly. Well done to you all.

Next week, we are looking forwards to Children's Mental Health Week. This year we are trailing a 'Stop and Drop: Self-Care Hour'. The children will get a chance to experience a range of activities to calm the mind and relieve their stresses including a silent zone, quiet colouring, reading area and sensory experiences. We hope this will enable them to make their own choices both in school and at home when they might be feeling overwhelmed or experiencing upset.

We are also excited about our Movie Nights on Wednesday (Y1/2) and Thursday (Y3-6). Next week we will be choosing the movies on offer. Please pick the children up from the playground as usual at 4.45pm where they will be handed over by their teachers. Staff must be notified if older children are to walk home alone please.

Finally, Y6 will be selling homemade Valentine's biscuits next Friday before we finish for the half-term holiday.

Many thanks

Jenny Lavery

Talking point:

Do you have a lucky number/a special number/a favourite number? Why?

Important Information

NEXT WEEK

Mon 9th Feb	Y1 and Y4 PE KS2 Performing Arts Club 3.15-4.15 KS1 Story Club 3.15-4.15
