Dear Parents, Carers and Children

Our Y6 pupils have been absolutely immense this week, approaching their SATs tests with confidence, clarity of thought and a calm approach—so much so that they made some teachers cry with pride on Wednesday! I think that you can all be incredibly proud of yourselves. The papers have now been posted and we will have results back in July. As a reward, they had a great afternoon with a water fight in the playground—staff and children looked absolutely soaked but everyone had great fun.

Thank you to everyone who responded to the parent questionnaire for our inspection. We had over 60 responses and some lovely comments particularly regarding the quality of care, communication with, and openness of, staff and progress of pupils. The inspectors were clearly able to see the heart of our school and understood the value we place on the development of the whole child. I would like to say a sincere thank you to all of the wonderful staff team here who, as they do every day, showed their hard work, care and incredible skill set. We await the report which will hopefully be published towards the end of the school year.

Yesterday, the Parrots had a wonderful day taking the train to Ravenglass before a trip on the L'al Ratty to Eskdale—a real steam locomotive experience. The children were a delight, entranced by the beautiful scenery and chatting excitedly to their friends. Please make sure that you take a look at our photos on our Facebook site.

On Monday (which seems a very long time ago!) some of our girl footballers were once again in action. Two groups (Y2 and Y3/4) got to play at Barrow AFC on the real pitch. The teams played 6 games and seem to have been very successful, showing off their goals, skills and teamwork. Well done girls.

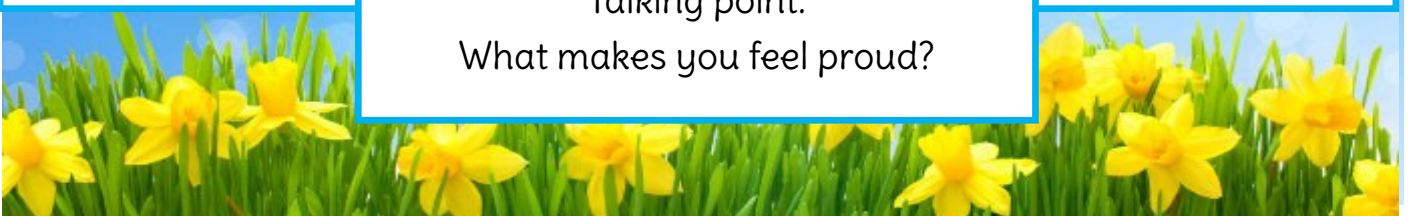

Our gardeners have managed to harvest some broad beans which went down a treat in the salad bar at lunchtime. Well done to everyone who tried some. We are looking forward to seeing what produce we can taste next!

Due to the events of the last week, we have postponed our Music Showcase until Thursday 11th June. We hope that many of you will be able to join us for the event.

Finally, take a look at our attendance data overleaf. What an amazing week.
