CAMBRIDGE PRIMARY SCHOOL

22nd May 2026

Dear Parents, Carers and Children

This week in assembly we were thinking about special people and our families. We looked at how family life in other countries might be similar and different to our own. We would love to see photos of your family as you, hopefully, get to enjoy the sunshine in the upcoming week.

On Monday Years 5 and 6 welcomed Jules from Daisy First Aid to teach them about how to be first responders. The children learnt about calling the emergency services; putting patients into the recovery position before working with the mannequins, practising CPR and learning how to help if someone was choking. The children were very sensible, listened carefully to instructions and worked together well to practise the different techniques.

The Giraffes had a wonderful visit to Gleaston on Wednesday, just managing to dodge the raindrops! They identified differences between village and town life and enjoyed spotting a whole host of animals to be seen, both real and created. Mrs Ritchie and Mrs Rebello were really impressed by their enthusiasm.

Today those families entitled to free school meals, those in receipt of 2-year old funding and/or early years pupil premium have been sent holiday food vouchers of £13.80 per child. If you have any problems accessing the vouchers, please let us know and we will do all we can to help. Don't forget to check previous emails/messages in case you have unused/open vouchers.

Our Y5/6 girls' tag rugby team went to Barrow Raiders this morning to compete in a Furness-wide competition. The girls showed some great skills and grew in confidence throughout the tournament, coping very well with some tough decisions from the referee. They came 5th overall, winning 5 games.

We have been talking to the older children about keeping safe in the local community over the holidays after several incidents have been brought to our attention. Please ensure that you know where your children are and what they are doing.

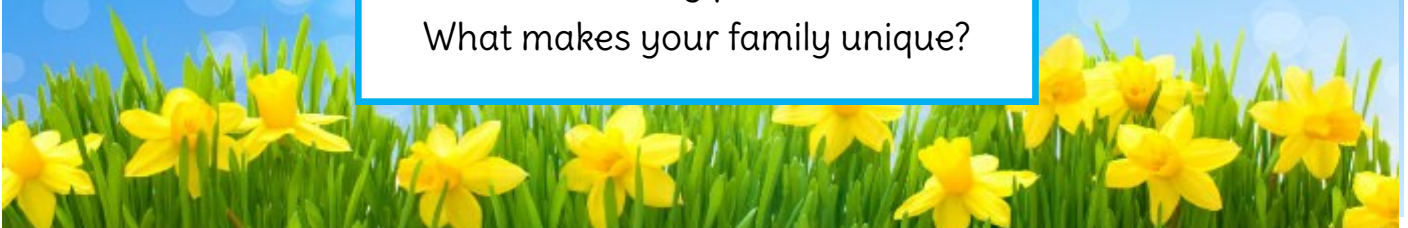

Reminder: school dinners are available for Hopsotch/Hedgehog children after the holidays. These must be ordered and paid for at least the day before via Scopay.

We wish you all a wonderfully warm, sunshiny half term holiday.

See you back in school on Monday 1st June.

Jenny Lavery

Talking point:
What makes your family unique?

Important Information

AFTER HALF TERM

Mon 1st June	Y1, Y2 and Y4 PE Y3/4 Hockey Performing Arts Club 3.15-4.15 KS1 Story Club 3.15-4.15
